## GREAT FAIR IN MERCER COUNTY

Lincoln County Exhibitors Fare Very Well And Big Crowds Are On Hand Each Day—Awards

The Country Fair Circuit up in this end of the state opened most auspiciously at Harrodsburg Tuesday. Although the weather was very warm it was what everybody called "ideal fair weather," and the people didn't seem to mind that, for they were on hand by the thousands "from the lead mines." A splendid program was offered each day, the show of horse and other live stock being very good as were also the exhibits in the floral hall department. Secretary Clel Coleman was on the job all of the time, with a splendid and most accomodating bunch of young fellows as assistants and they made the visitors from far and near feel that it was good to have been there.

Quite a number from Lincoln were on hand each day but the third day, Thursday, was the big day for Lincoln county people, and fully 50 or more went over primarily to boost for Stanford's big fair, Aug. 23, 24 and 25.

Stanford and Lincoln county exhibitors fared well in show rings. The great Harris & Woods string of show mules had things almost their own way in the hybrid classes. C. S. Lyons, of this city, took a big bunch of blues on his poultry. The complete rewards on the live stock poultry and horse rings up to 3 o'clock Thursday afternoon were as follows:

A DELIGHTFUL AFFAIR  
One of the most attractive and delightful affairs of the season was the meeting of the Rook Club with Mrs. T. A. Rice Thursday afternoon. The guests of honor were Miss Willie Hocker, of Pine Bluff, Ark., and Miss Olivia Baldwin, of Richmond. The handsome home was made a bower of loveliness with garden flowers, the prevailing tone being pink and white. Punch was served by Mesdames C. E. Tate and Lelia Cook, assisted by Miss Bertie McClure. Delicious ices and cakes were served after the games. Among the guests were Mesdames Wm. Severance, G. G. Perry, J. B. Foster, W. H. Shanks, S. M. Saufley, H. R. Saufley, R. C. Hocker, J. C. Bailey, G. B. Cooper, R. T. Bruce, H. John Shanks, J. B. Perkins, U. V. W. Darlington, E. J. Brown, Angie Ballou Duncan, Misses Annie Dunn, Mary and Esther Burch.

CARD OF THANKS  
Words cannot express our thanks and appreciation to our many dear friends who so bountifully contributed after our loss by fire Thursday last week. Friends are worth more than anything in the world. May God bless them—Joe W. Rout and wife.

Benefited by Chamberlain's Liniment  
"Last winter I used Chamberlain's Liniment for rheumatic pains, stiffness and soreness of the knees, and can conscientiously say that I have never used anything that did me so much good."—Edward Craft, Elba, N. Y. Obtainable everywhere.

MIDDLEBURG  
The Baptist people are building a veranda and are putting other repairs on the parsonage. The property had become somewhat dilapidated and these repairs are adding greatly to its appearance.

We have had fine rains of late and a fine corn crop is an assured fact. That crop never looked better, besides a large acreage is growing.

Katydids began their dispute in the trees on the night of the 15th, which indicated that a killing frost will delay its coming till that date in October, say those who have observed these things.

Mrs. J. C. Coulter cut her hand pretty badly a few days since while canning fruit. She twisted the top off a can when her hand came in contact with the broken glass.

A druggist recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. The first dose relieved me

UNCLE SAM GETS TWO HERE

Will Lee and Jeff Bryant Again Charged With Bootlegging.

Jeff Bryant and Bill Lee, two notorious bootleggers, of Macksville, were arrested here Wednesday by Deputies C. L. Winfrey and H. R. Saufley and taken to Danville to have their preliminary trial before U. S. Commissioner Lawwill. Bryant has gotten the goods on these two violators and it is a pretty safe prediction that Judge Cochran of the Federal court will give them a penitentiary sentence this time, which means that Stanford will be rid of these two undesirables for at least a year, during which time they will be put at hard labor.

GREAT TROTTING COLT.

His many friends "back home" are greatly interested in the success which John Engleman is having with his crack three-year-old trotting horse, "Harrod's Creek," on the big line this season. Mr. Engleman is a brother of R. C. Engleman of this city and is one of the most experienced trotting horse men in the business. He has won three starts with his great young harness horse already this year and the harness racing season has just begun. Harrod's Creek has trotted a mile in 2:08 and is said to have never made a "break" yet in a race. It is reported that Mr. Engleman has him entered in \$50,000 worth of stakes.

#### Wilson His Free Choice.

"I have in my voting career cast my ballot for Cleveland, McKinley, Bryan and Roosevelt, and therefore can claim some degree of independence," said C. W. Alcott, of New Haven, Conn., in a letter to the Springfield (Mass.) Republican.

"There are so many reasons," continued Mr. Alcott, "why an independent should prefer Wilson to Hughes that I am afraid your space would all be taken up in the enumeration. I will therefore give but three all sufficient reasons for the faith within me.

"First, the President is absolutely honest and conscientious in all his undertakings, and his high ideals and moral purposes both at home and abroad have spread their influence for good throughout the nation.

"Second, many great achievements for the benefit of mankind when thrown into the scales against his mistakes of judgment so far outweigh the errors that the balance in favor of the good that he has done can not be estimated.

"Third, Mr. Hughes has nothing to offer that we as a nation are not already in possession of."

Allen M. Gullion, son of Editor Gullion of the Henry County Local, has been appointed Colonel of the Second Kentucky regiment to fill the vacancy caused by the disability of Col. J. Embry Allen. Allen Gullion is a splendid young man in every way; a graduate of State University and West Point.

#### EIGHTH DISTRICT POLITICS

#### THE HOME STRETCH

#### Primary Election Draws Near.

Less than two weeks remain for the candidates in Kentucky to finish fixing their fences and be ready for the vote to be taken, which will occur on Saturday, August 5th. In many of the districts the contests are quite lively, but in this, the Eighth Congressman Harvey Helm, appears to have everything his own way. His long experience and faithful work have proven to the people of the district his capability and faithfulness. They realize that now is the time when we must have reliable men—men who have proven their qualifications—and in this time of international trouble we must not give up a certainty for an uncertainty.

There is but one thing that can defeat Mr. Helm and that is by his friends being overconfident and remaining away from the polls on election day. That a large majority of the Democrats want Helm, there is no doubt, but should they go on the belief that he "is going to win anyhow," and fail to vote, there is danger.

The splendid record of President Wilson is too well known to the voters to require review here, but it is well to recall attention to the assistance given him by the Democratic members of Congress. Among these could always be found Harvey Helm, ready and anxious to support the President. Had it not been for such supporters as Helm, Mr. Wilson could not have, of course, accomplished his great work.

There is now but one thing for the friends of Mr. Helm to do, and that is to go to the polls and vote. Urge your neighbors of the importance of voting. Do this, and save all over—but the shouting."—Danville Messenger.

**POLITICS IN MADISON.**  
G. W. Warner, of the Poosy Ridge section of Madison county, was here court day, and when asked as to the congressional outlook in that section, replied that in his precinct only five votes would be cast against Helm. He thinks it's a bad time to change congressmen in view of the fact that Democrats everywhere should sink their personal preferences in the congressional race and put their best endeavors forward for Wilson.—Jessamine News.

#### CONGRESSMAN HELM.

Hon. Harvey Helm arrived yesterday and has been kept busy ever since shaking hands with his many friends. No public man ever in Kentucky has warmer or more devoted friends in Jessamine county than Mr. Helm. He knows our people and they flock to him as though he was one of us. Owing to his congressional duties at Washington Mr. Helm has been unable to visit Jessamine until now, but the welcome he is receiving is evidence of his strong hold on the people of Jessamine.

#### WHY YOU ARE NERVOUS

The nervous system is the alarm system  
of the human body.

In perfect health we hardly realize that  
we have a network of nerves, but when  
health is ebbing, when strength is declin-  
ing, the same nervous system gives the  
alarm in headaches, tiredness, dreamful  
sleep, irritability and unless corrected,  
leads straight to a breakdown.

To correct nervousness, Scott's Emul-  
sion is exactly what you should take; its  
rich nutriment gets into the blood and  
rich blood feeds the tiny nerve-cells while  
the whole system responds to its refresh-  
ing tonic force. It is free from alcohol.

The readers of this paper will be pleased to  
learn that there is at least one disease dis-  
tinguished by the name of Catarrh. That is the  
only positive cure now known to the medi-  
cal fraternity. Catarrh being a constitutional  
disease, requires constitutional treatment. That is  
why Catarrh Cure is taken internally, acting  
directly upon the blood and mucous surfaces of  
the system, thus doing away with the condition  
of the disease, and giving the patient strength  
by building up the constitution and assisting na-  
ture in doing her work. The proprietors  
are most anxious that they offer One Hundred Dollars for any case that  
fails to cure. Send for list of testimonials.

### "I Have Found A Wonderful Remedy For Catarrh," Says Mrs. Smith, of Milton, Ky.

"Yes I have found a wonderful remedy for catarrh. It is Tanlac," said Mrs. Ellen Smith, who lives at Milton, Ky.

"Just think: I am able to do my work and don't have any pains at all. I am sure anybody who tries it will find it good."

Tanlac is a tonic which aids digestion, promotes healthy, refreshing sleep and strengthens the nerves.

There is scarcely a portion of the body that is not benefited by the helpful action of Tanlac, which begins its work by stimulating the digestive and assimilative organs, thereby enriching the blood and invigorating the whole system.

Next it enables a weak, worn out stomach to thoroughly digest its food, permitting the assimilation of

the nourishing products to be converted into blood, bone and muscle.

It overcomes, it is said, that great exciting cause of disease, weakness. It renders the body vigorous and elastic. It throws off the symptoms of nervousness and indigestion. It builds up the constitution run down by disease.

Tanlac is being especially introduced in Stanford at Penny's Drug Store, E. R. Coleman proprietor.

Tanlac may be obtained at the following nearby cities: Moreland, Abraham Minks; Hustonville, Adams Bros.; McKinney, True & Co.; Ellensburg, W. C. Bryant; Crab Orchard, Lynn Bros.; Brodhead, John Robbins; Junction City, Reynolds & Evans; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.
